

PACIFIC ENERGY SUMMIT

MEDIA ADVISORY

April 21, 2015

NUR BEKRI, ZENG PEIYAN, AND DENNIS BLAIR AMONG ENERGY EXPERTS AND INDUSTRY LEADERS TO HEADLINE 2015 PACIFIC ENERGY SUMMIT

(BEIJING and WASHINGTON, D.C.-April 15, 2015)—The co-hosts for the Pacific Energy Summit, The National Bureau of Asian Research (NBR) and the China Energy Research Society (CERS), are pleased to announce key speakers headlining the 6th annual Pacific Energy Summit, which will take place on May 27-29, 2015, in Beijing, People’s Republic of China.

The Pacific Energy Summit aims to foster economic and energy security in the Asia-Pacific by developing practical solutions to the twin challenges of rising energy demand and a changing climate. The 2015 Summit, “Strengthening Markets for Energy and Environmental Security,” will convene senior policymakers and leaders from across the world in Beijing to assess how to strengthen international markets while enhancing economic growth, promoting energy security, and providing environmental safeguards.

2015 SUMMIT FEATURED PARTICIPANTS INCLUDE:

- **Chen Weidong**, CNOOC Energy Economics Institute, *People’s Republic of China*
- **Dennis Blair**, Former U.S. Director of National Intelligence; Board of Sasakawa Peace Foundation; The National Bureau of Asian Research Board of Directors, *United States*

- **Melody Meyer**, Chevron Asia Pacific Exploration and Production Company, *Singapore*
- **Mikkal E. Herberg**, The National Bureau of Asian Research, *United States*
- **Narendra Taneja**, World Energy Summit, *India*
- **Nur Bekri**, National Energy Administration, *People's Republic of China*
- **Peter Clarke**, ExxonMobil Gas & Power Marketing Company, *United States*
- **Satya Widya Yudha**, House of Representatives, *Indonesia*
- **Tadashi Maeda**, Japan Bank for International Cooperation, *Japan*
- **Thein Lwin**, Parliament, *Myanmar*
- **Wu Xinxiong**, National Committee of the Chinese People's Political Consultative Conference, *People's Republic of China*
- **Zeng Peiyan**, Former Vice Premier, State Council; China International Economic Technology Exchange Center, *People's Republic of China*
- **Zhou Dadi**, China Energy Research Society, *People's Republic of China*

2015 SUMMIT DISCUSSIONS INCLUDE:

- Forging Strong Markets to Support Environmental and Energy Security
- Pairing Technology and Policy to Improve Coal Use
- Building a Resilient Oil Market
- The Future of Nuclear Energy in the Asia-Pacific
- Geopolitical Impact of U.S. and China Energy Policy
- Bringing Wind and Solar to Scale

ABOUT THE PACIFIC ENERGY SUMMIT:

The 2015 Pacific Energy Summit is brought to Beijing by NBR and the China Energy Research Society in partnership with the Asian Development Bank. Leadership is provided by lead sponsor Chevron; sponsor ExxonMobil; and collaborating institutions the Center for Energy Governance and Security at Hanyang University and the Korea Energy Economics Institute (KEEI).

For more information, visit www.PacificEnergySummit.com.

ABOUT THE NATIONAL BUREAU OF ASIAN RESEARCH:

NBR conducts advanced independent research on strategic, political, economic, globalization, health, and energy issues impacting U.S. relations with Asia. Drawing upon an extensive network of the world's leading specialists, NBR bridges the global academic, business, and policy arenas.

For more information, visit www.nbr.org.

ABOUT THE CHINA ENERGY RESEARCH SOCIETY:

CERS is one of the most influential academic research societies in the fields of energy policy and technology in China. Through its research, CERS has achieved influential results that have contributed positively to the Chinese government's strategic deployment and decision-making on energy issues.
